Explorer

From the Lead Teacher:

April held lots of excitement for Explorer. The kids have tested their state knowledge by labeling all of the 50 states on a map. We were happy to see how many of the kids knew a majority of the states! Charades has been a huge hit and the kids have enjoyed learning through this game. We talked about how different climates affect how different houses are built all over the world. We had the children play the math game "Crack the Code" to solve Ms. Chelsea's mystery... that being she is going to have a BABY!!

As you can tell, April has held a lot of new things to experience, and I am sure May will be just as rewarding—especially as we look towards the future... SUMMER CAMP!!!

The staff here is excited to finish off the school year with a BANG and head into summer on the right foot.

If you ever have any questions or comments, please feel free to speak to a staff member.

Be safe, have fun, and enjoy the weather!
Jessica

From the ASE Director:

Happy May to you all,

Getting into my second month with Youth Enrichment Services has been a fun and challenging experience. I have enjoyed visiting the various sites and working with all of the children, although I have not made it to NEARLY as many sites as I would like.

The Summer Enrichment Program planning is in full swing. We have TONS of fun field trips and activities planned...

We also have a NEW PROGRAM for the summer called **LEADERS IN TRAINING (LIT)**. This program will be for our FUTURE LEADERS who are 5th and 6th graders as of Fall 2010. This program will also include... OVERNIGHT SLEEP OVERS AT EASTSIDE! Call Summer Director—Mr. Blake Craig, for more information (605) 553-7224

Have a super awesome May and we will see you for Summer Camp!
