Fred Assam

From the Lead Teacher:

We began the month of April with a "We Want Summer Week" where the kids got to dress up, listen to Beach Boy music, play games outside and make crazy sun-catcher crafts with crayon shavings followed by a "Voyager" week to promote our summer program. We then conjured up an 'Around the World Theme' where the kids played board games from other countries, learned some Spanish phrases, danced to ethnic music, and ended our week with a Fiesta Friday. We ended the month with an Earth Day theme where the kids were tested on their "garbage knowledge", made garbage pizza, and plotted ways to save the Earth! As the sun continues to shine, we look forward to more outside time in May as well as an eventful couple weeks before school is let out. Keep your eyes peeled for notes coming home or announcements written up on the wipe-off board. We are looking forward to an epic ending to and epic school year!

Thanks,
Lindsey

From the ASE Director:

Happy May to you all,

Getting into my second month with Youth Enrichment Services has been a fun and challenging experience. I have enjoyed visiting the various sites and working with all of the children, although I have not made it to NEARLY as many sites as I would like.

The Summer Enrichment Program planning is in full swing. We have TONS of fun field trips and activities planned...

We also have a NEW PROGRAM for the summer called *LEADERS IN TRAINING (LIT)*. This program will be for our FUTURE LEADERS who are 5th and 6th graders as of Fall 2010. This program will also include... OVERNIGHT SLEEP OVERS AT EASTSIDE! Call Summer Director—Mr. Blake Craig, for more information (605) 553-7224

Have a super awesome May and we will see you for Summer Camp!
